Emerging into daylight from the first tunnel, Laurel Hill, you speed the mountains of Somerset County, which has been called "The Roof Garden of Pennsylvania." The courthouse dome at Somerset looms on your right, but you flash past the Somerset" interchange" and the town without speed slackening.

This unusual photo shows how you go through the second tunnel, Allegheny, piercing through the Allegheny Mountain barrier.

"C.T. ART-COLORTONE" REG. U.S. PAT. OFF.
